

Second edition of the highly-acclaimed guidebook to the Southwest

Selected comments from readers of the previous edition . . .

“very highly recommended; remarkably useful; a truly great travel guide; invaluable; accurate and completely reliable; user friendly; go with a camera in one hand and this book in the other; great for photographers and non photographers alike; take this book with you; don’t go there without it; best guide book I’ve ever used; buy this book!”

A must for everyone with a passion for the Southwest!

- Have you ever wanted to see with your own eyes all the beautiful locations found in coffee table books, posters, calendars, and travel magazines?
- Do you want to see the most photogenic spots in our parks and monuments?
- Do you want to visit spectacular “off the beaten track” locations outside the parks?
- Are you interested in rock art and early Native American dwellings?

The *Photographing the Southwest* guidebook series is the culmination of over twenty years experience exploring and photographing the natural landmarks of the Southwest.

Volume 3 will take you on a remarkable journey of discovery from the vast plains of Northwestern Colorado to the deserts of Southern New Mexico, exploring geological marvels, sand dunes, the alpine scenery of the San Juan and Rocky Mountains with their incredible wildflowers and fall colors, ancient cliff dwellings, old mining towns, Spanish New Mexico, and Indian Pueblos . We also make a short foray into Texas to visit Big Bend National Park.

- 272 pages of great information for everyone; no need to be a photographer
- 200+ full color photographs, to previsualize most of the sites
- Major upgrade of highly-praised 1st edition; entirely rewritten, many new locations
- Hundreds of locations, including the best spots and how to get there
- All the major national parks, monuments and state parks
- Clear and precise directions provided for seldom seen and hard-to-find sites
- Lots of travel tips not usually found in traditional guidebooks
- Where, when and how to get the best shots
- Valuable tips on composition, exposure and hard-to-shoot scenery
- Comprehensive ratings for each location (interest, difficulty, etc.)

Also available:

Photographing the Southwest – Vol. 1 Southern Utah

Photographing the Southwest – Vol. 2 Arizona

Offering the same kind of great information on these areas.
